

Welcoming LaTonya Thomas (FNP) Tallulah's Newest Provider!

We are thrilled to welcome Latonya Thomas, Family Nurse Practitioner (FNP), as the newest member of the Tallulah OMC provider team!

Ms. Thomas brings five years of FNP experience and is no stranger to OMC, having previously worked with us as both a Licensed Practical Nurse (LPN) and a Nurse Practitioner (NP).

When asked what she looks forward to most in her new role, Ms. Thomas shared, *“What I’m looking forward to the most is providing quality healthcare services to Tallulah and other surrounding areas.”*

Reflecting on her return to OMC, she added, *“It’s like circling back to my roots. My medical journey started at OMC and it’s like I’m back within my home.”*

Please join us in welcoming Ms. Thomas back to the OMC family! We look forward to her positive contributions that impact our FQHC healthcare mission.
