

Tinamarie Conant (Facility Administrator)

Introductory Post

OMC is excited to welcome Tinamarie Conant, Facility Administrator, to the team! With over 20 years of experience in property and facility management across California, Tinamarie has worked on everything from medical office buildings to large industrial, office, and retail sites.

What excites Tinamarie the most about joining OMC? Diving into the medical side of facilities management and learning the unique policies, procedures, and terminology that come with it. They're also looking forward to organizing operations and bringing the team together!

Some fun facts you might not know about Tinamarie is that she loves fishing, horseback riding, and never skips her morning coffee!

Welcome aboard, Tinamarie!
