

New OMC Counselor is Ready to Serve More Patients

FOR IMMEDIATE RELEASE

March 18, 2026

Joining an existing counselor, Ms. Doris Kochinsky, is Mr. Bobby Williams, LCSW. Mr. Williams has 18 years of experience providing cognitive behavioral therapy for persons with mild to moderate mental health conditions, such as anxiety, depression, and other stress and adjustment disorders.

Mr. Williams is now accepting new patients! Call our Natchitoches clinic at (318) 352-9299 for an appointment.

Outpatient Medical Center is a Federally Qualified Health Center. We accept most insurances; however, uninsured or underinsured patients may apply for a sliding fee discount based on their income and level of poverty. Discounts may range from 20% to 100% of full charges. A patient who is below the federal poverty level is never refused services due to an inability to pay. For more information, visit OMC's Website: www.outpatientmedical.org.

Mr. Bobby Williams, LCSW
