

The Faces of Behavioral Health at Outpatient Medical Center

FOR IMMEDIATE RELEASE

June 18, 2026

Doris Kochinsky, Lead Counselor & Bobby Williams, Counselor

Outpatient Medical Center (OMC) is proud to highlight two members of its Behavioral Health team, Ms. Doris Kochinsky, LCSW, and Mr. Bobby Williams, LCSW. Ms. Kochinsky and Mr. Williams are committed to supporting the mental health and overall well-being of patients across OMC's communities in Natchitoches, Tallulah and Leesville.

Both providers work closely with each individual to develop treatment plans that reflect the patient's personal goals, needs, and experiences; ensuring care is guided by what matters most to the patient. Ms. Kochinsky and Mr. Williams provide compassionate support to patients navigating challenges such as stress, anxiety, depression, and other behavioral health concerns.

Patients can expect confidential, supportive care in a welcoming environment from OMC counselors. Services are designed to provide convenient access to care, including telehealth appointment options, allowing patients to receive support in a way that best fits their schedule and circumstances. The Behavioral Health team accepts a variety of insurance plans, helping make services accessible to more individuals across our service areas.

Call 888-811-8081 to schedule an appointment or learn more about OMC's other available services including medical and dental care. Let our team support your journey to better well-being.
