

Sickle Cell Awareness Event held at MLK Recreation Center

FOR IMMEDIATE RELEASE

September 10, 2026

OMC attending 2025 Sickle Cell Awareness Event

Outpatient Medical Center (OMC) will partner with the Natchitoches Alumnae Chapter of Delta Sigma Theta Sorority, Inc. to help present the Annual Sickle Cell Awareness Event on Saturday, September 19, 2026, from 9:00 a.m. to 12:00 p.m. at the MLK Recreation Center, Martin Luther King Drive, Natchitoches, Louisiana 71457.

The event is designed to educate and inform community members about sickle cell disease, including its signs, symptoms, impact on individuals and families, and the importance of awareness. Attendees will have the opportunity to learn from healthcare professionals, community advocates, and guest speakers who will share personal stories to help increase understanding of the challenges faced by those living with sickle cell disease while encouraging community support and awareness.

OMC invites community members of all ages to attend this free event and join the effort to promote health awareness throughout Natchitoches Parish.

For additional information about the Sickle Cell Awareness Event, please contact William Salinas, Senior Executive Assistant, at 318-357-2071 ext. 3201 or by email at info@outpatientmedical.org.

Outpatient Medical Center (OMC) is a Federally Qualified Health Center dedicated to providing high-quality, accessible healthcare services to individuals and families throughout the communities it serves. OMC remains committed to improving health outcomes through comprehensive medical, dental, behavioral health, preventive, and community-based services.
