

INSURANCE OR NOT, OMC HAS VACCINES FOR YOU

FOR IMMEDIATE RELEASE

November 8, 2023

Outpatient Medical Center is offering new COVID-19 vaccines to both insured and uninsured patients.

The new dose is an updated mRNA vaccine which offers improved protections against the Omicron variant of the virus, and provides better protection against serious consequences of COVID-19, including hospitalization and death.

Patients desiring to receive a vaccine are asked to call their clinic (see list below) to be scheduled for an appointment to receive the Covid Vaccine.

OMC is an option for you, because caring for you is what we do! For more information call the nearest OMC Clinic. More information on clinic locations, hours, and services can be found at www.outpatientmedical.org.
