

OMC LEESVILLE HAS VACCINES FOR CHILDREN

FOR IMMEDIATE RELEASE

December 6, 2023

Children ages 18 and younger may qualify for the State’s “Vaccines For Children” Program which provides vaccines at no cost. At OMC, eligible youth can receive school-required vaccines for Hepatitis A and B, Measles, Mumps, Rubella, Varicella, Rotavirus, TDAP, IPV, Meningococcal and more.

In order to qualify, children must be either enrolled in or eligible for Medicaid, or not be insured for a vaccination, or be an American Indian/Alaskan Native.

Call OMC and get your child protected during this holiday season.

OMC is an option for you, because caring for you is what we do! For more information call the nearest OMC Clinic. More information on clinic locations and services can be found at www.outpatientmedical.org.

Cutline: OMC Lead Nurse Practitioner Amanda Hundley provides vaccines to children
